In honor of those who have served and fallen...

Why the **AMERICAN** FLAG is Folded 13 Times

## Here is the meaning of each folds

- ★ The first fold of our flag is a symbol of life.
- ★ The second fold is a symbol of our belief in eternal life.
- ★ The third fold is made in honor and remembrance of the veterans departing our ranks who gave a portion of their lives in the defense of our country and to attain peace throughout the world.
- ★ The fourth fold represents our weaker nature. We turn to God in times of peace, as well as in times of war, for divine guidance.
- ★ The <u>fifth fold</u> is made as a tribute to our country. To paraphrase Stephen Decatur: Our Country in dealing

- with other countries, may she always be right; but it is still our country right or wrong.
- ★ The sixth fold represents where our hearts lie. It is with our hearts that we pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.
- ★ The seventh fold is made in tribute to our armed forces. It is these brave men and women who protect our country against her enemies, foreign or domestic.
- ★ The eighth fold is in honor of mothers, for whom the flag flies on Mothers' Day.
- ★ The <u>ninth fold</u> is a tribute to womanhood. The faith, love, loyalty, and devotion of

- women helped to mold the character of countless men and women who have made this nation great.
- The tenth fold is a tribute to fathers. They, too, have given their sons and daughters for the defense of our country.
- The eleventh fold represents the lower portion of the seal of King David and King Solomon, glorifying the God of Abraham, Isaac, and Jacob.
- ★ The twelfth fold represents an emblem of eternity and glorifies God the Father, God the Son, and God the Holy Spirit.
- ★ The thirteenth fold brings the stars uppermost, reminding us of our nation's motto, "In God We Trust."
